Dear Friend,

To coincide with the 3rd Anniversary of internment without trial in Northern Ireland (August 9th) a world wide campaign has been launched to call for its immediate abolition. We ask you to support this campaign as follows:-

1. Have the resolution below adopted by your society.
2. Promote the signing of this resolution as widely as possible especially amongst public figures.

In both cases please advise us and your local press.

A complete list of signatories and supportive resolutions will be presented to the British Government, the Irish Government and the United Nations Human Rights Commission on December 10th which is International Human Rights Day, Persons, organisations and newspapers have the full permission from the publishers of Hibernia to reproduce in whole or in part their " Internment '71 - '74 " Supplement, which is enclosed, as an aid to the campaign.

" We are opposed in principle to the internment of civilians without trial. We also believe that internment in Northern Ireland, now 3 years in operation, is both a continuing cause of violence and a primary obstacle to the success of peace initiatives. For these reasons we call for the immediate release of all internees in Northern Ireland."

For the National Committee.

Eileen & Rico Ross.
